Next meeting:

Wednesday, April 24th

Location: North Metro Fire Headquarters
101 Lamar St. Broomfield, CO

Board meeting 1:00 to 1:30 PM

Demonstration 1:30 to 4:00

Fran Belair will show us some of her creations using jeans and T-Shirts as disposables.

There is a large gallery at Brighton's City Hall. We are full for this year, except for December which I am sure will be busy as well. Perhaps next year will be better. Also we have Brighton's Eco Fair on September 20 to 21. It has a large attendance. Keep creating art.

We will be having our Display Case show at the Broomfield's Library during the month of May. We need small things. Lavonna will be finishing and place at the library the bookmarks we did under her direction in a nice container she made for them.

May will not be as busy as April, but it is still an important month. We will be having our show at Irving library along with other artist groups, they are going to have a reception on the 19th of May from 2 to 4 PM. Aura

President's Corner

Dear EAC members:

We are lovers and protectors of our Mother Earth, **let's find new ways to lessen our trash by converting it into beautiful art or useful crafts,** while having fun doing it.

April was a very busy and successful month:

We introduced our art at Rodeo Marketing in Westminster. It is a joint community effort. Isolde joined them. You have to pay to display your art and to become a member, but the place is located in an area with several art galleries.

We taught classes at the Jefferson Academy to about 180 students. They loved it and the teachers want us to do it again in 2 years.

The Earth Day celebration with classes at the library did not go very well as we did not have any attendance, but we got some names.

We are showing our art at The Armory in Brighton. They offered us new opportunity to display our art at the Brighton's City Hall.
