## President's Corner

Dear EAC Members:

**The Boulder Fashion show** was canceled because some of participants who signed up reported that the timeline did not work to create their best designs. Luckily, we were none of them. By now, we made significant progress while we were getting ready for the fashion show in Boulder and I think that with some additional effort and more people's participation we can put the show here in Broomfield. Let's start working on it. Everyone who is participating in this project; please bring what you have done so far in order to show everyone else what can be done.

**The Bazaar at the Armory in Brighton**, We did show some of the things we have done and people liked it. Unfortunately, very few people attended or did not want to come all the way to Broomfield, or they are working.

Laurie Maier, the Coordinator for Art programs in Brighton, will allow us to show art from recyclables. but it has to be from individuals; no groups. It doesn't cost anything. I sent to you the E-Mail on 4-22-15 with the information.

Please start collecting the can pull up tabs as we have many great uses for them.

Thank you to everyone who is contributing to the operation of the EAC.

We still have many open positions for the EAC's administrating activities. Please get involved. It is your club, it is very satisfying to help, because we improve the quality of our lives, and grow faster as we increase our accomplishments and possibilities when we work together. Aura
