Broomfield Library display case Aug 1-31

President's Corner

Dear EAC Members:

I hope you maintain the level of wellbeing that is satisfactory to you, and you are doing a lot of progresses in the fields of your interest.

Keep in mind that: **Disposables + Mind + Desire, Feeling, and Action can be transformed into: Art, Beauty, Creativity, Personal Growth, Better use of our natural resources, Maintenance of the beauty of our dear Mother Earth, learn how to use new mediums, it is a lot of fun and satisfaction, plus it has therapeutic value that help us to keep advancing in life satisfactorily!**

I am in the process of reorganizing the operation of EAC due to the lack of interest of several members. I will let you know. In the mean time, I wish you maintain your interest in creating art using disposables.

Don't forget to bring your new creation to our next meeting. The best one will get a prize and your creation will be published in our newsletter and web page.

I was out of town for more than a weak and I did not look enough for new places where to display our art. Never the less we have the display case at the Broomfield Library and finalized details for places we had already secured.

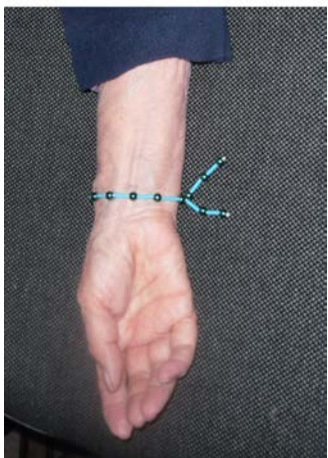

Best wishes,
Aura.

Tools needed for all the Demonstrations:

1. Board or canvas or surface to work on
2. Bright Water colors, acrylics or color markers
3. Brushes, and paint rollers
4. Two (2) containers for water
5. Paper towels
6. Pencil
7. Ruler
8. Exacto or craft knife
9. Scissors
10. All-purpose glue, scotch tape
11. Invisible thread or fine fishing line, plus a needle.

Creation at our Demonstration in the March 2017 meeting

Aura Liesveld showed us how to create jewelry using disposable Q-Tips and bids from disposable jewels. All the materials were provided.

**Broomfield Council on the Arts and Humanities (BCAH)**
