President's Corner

Dear EAC Members:

Since we are always devoted lovers and protectors of our Mother Earth, let's keep finding new ways to lessen our trash in order to convert it into beautiful art or crafts, Especially when it is fun to do!

The North Metro Fire Rescue warranted the usage of the facility for free until March 2015. In January there will be a review to decide on the usage for another year. I got plastics to protect the carpet.

September will be a busy month with a **Juried show** at the lobby of The Brighton's Armory. They want us to be at their **Eco Art Festival** on September 20th. But we are having the Broomfield Days the same day. Too bad. Also their eyes shined when I mentioned about the Xmas decorations made from recyclables; and they are very interested. So it is time to start working on them. Xmas is just around the corner. Please bring your ideas to our next meeting. We have to hurry up before somebody else takes over our idea. My demo is going to on this subject. Bring your ideas.

We signed up for **Broomfield days**. Hope you are getting ready for it.

The Louisville Art Association is sponsoring the Annual National Juried Fine Art show. Aug 30 to Sept 7th. On Sept 6th Aura will Demonstrate how to create art using recyclables. You are invited. 11:30 am to 1 pm. Location, 801 Grant Ave, Louisville.

We have several open positions on the EAC's administration activities. Please get involved. It is satisfactory and will help us to grow faster. We increase the accomplishments and possibilities when we work together.

Aura
