## President's Corner

Dear EAC Members:

**The Eco Art Creators Fashion show:** We took our first step of action. Isolde volunteered to lead this activity and Elizabeth to work on it. Thank you to you both. Pretty soon we will have our plan of action and start implementing it. Isolde suggested to do several preliminary shows that allow us to: create more clothing from recyclables, perfect the system, find a place to do the show, decide on date and time to do it and promote it. We can invite the people who were going to participate in Boulder. Please bring what you have done so far in this matter to share with everyone else what can be done and get every body's juices flowing. It will be a lot of fun to work on this project. The Irving library wants us to be there again for as long as we want, but the location they allow us to display the art doesn't have much visibility.

We got another invitation from Brighton City Hall to participate in their activities in their **The Eye for Art program**. You need to register first. The submittal deadline is September 4, 2015.

This is an *open theme show*. Here is a [quick link to access the submittal form to submit for this next great show.](#)

The demonstration at the at Brunner House for the Broomfield Summer Events was in the name of Broomfield Art Guild. Next year we can do it by ourselves. In this way we can advertise directly for us in order to gain new members.

Thank you to everyone who is contributing to the operation of the EAC but I need more help **to grow as we want, can and should.**

We still have many open positions for the EAC's administrating activities. Please get involved. It is your club and it is very satisfying to help because we improve the quality of our lives and grow faster as we increase our accomplishments and possibilities when we work together. Aura

**Tools Needed for all the Demonstrations:**

1. Board or canvas or surface to work on
2. Bright Water colors, acrylics or color markers
3. Brushes, and paint rollers
4. Two (2) containers for water
5. Paper towels
6. Pencil
7. Ruler
8. Exactor or craft knife
9. Scissors
10. All-purpose glue, scotch tape
