Dear EAC Members: Keep in mind that, Disposables + Mind + Desire, and Action with Creativity can be transformed into: Art, Beauty, Personal Growth, Better use of our natural resources, Maintenance of the beauty of our dear Mother Earth, learn how to use new mediums plus many more benefits!

A reminder; the show at the **Broomfield Library display case** pickup will be after our August 31 meeting.

I finished my new design for my main wall using old CDs, scraps from sewing; cardboard from packaging materials, and scraps from present's wrapping materials. It was a lot work, but it looks great!

The Broomfield Days is coming on Sept 17th, 2 weeks from now. Please start getting ready for it. We need to display small items and do demonstrations. Perhaps we can take turns.

I am sorry but we were not accepted at the Adams County Fair show because they do not admit art from recyclables.

Great news! We got our **DUNS number (Data Universal Numbering System)**. To refresh your mind, it is the 9 digit number for profit and non-profit organizations interested in applying for a U.S. government grant. Misty was going to do that, but she will not be able to do it for personal reasons. I need your help.

We are in the BCAH August newsletter. See attachment.

Please let me know about your successes so that we can include them in our newsletters and web page.
