## Activities:

We don't have immediate activities, but we have The following confirmations:

**Broomfield Brunner House:** We have two Shows: One show will be in **May** and the other in **October**.

**Brighton City Hall Art show:** May 2017

**Brighton, Art in the Park.** June. This will be a Community project.

**Broomfield Community Center:** A Show and Classes are in negotiation.

## President's Corner

Dear EAC Members:

I hope you had a great Holiday celebration, started the New Year successfully and continue the rest of your year on good terms, especially when it comes to the creation of art using disposable items.

Keep in mind that: **Disposables + Mind + Desire, Feeling, and Action can be transformed into: Art, Beauty, Personal Growth, Better use of our natural resources, Maintenance of the beauty of our dear Mother Earth, learn how to use new mediums plus it gives us a lot of fun and satisfaction!**

The classes at the Broomfield Library went real well. The last 2 classes were a community project. We had 37 participants. See the picture on your left side of this news letter. This week I will be delivering the creation for display for 3 months at the Discovery Lab in the Broomfield Library.

I got behind planning for the Activities this year, due to the classes at the library, personal house project and Xmas, so we don't have any place to display our art until May. Hopefully, I will get some feedback soon and we can have shows in February, March, April and other empty months.

Don't forget to bring your new creation to our next meeting. The best one will get a prize and will be published in our newsletter and web page.

Aura.
