President's Corner

Dear EAC Members:

We welcomed Carmen Latimer as a Visitors to our meeting.

Since we are always devoted lovers and protectors of our Mother Earth, let's keep finding new ways to lessen our trash in order to convert it into beautiful art or crafts, Especially when it is fun to do!

We had activities during our summer break; we started with a show at the Irving library and now our show with Broomfield City Hall which still is going on.

We are going to display our art at the lobby of The Brighton's Armory and they want us to be at their **Eco Art Festival** on September 20th. But we are having the Broomfield Days the same day. I don't want us to miss this opportunity like we did last year. Perhaps we can share or rotate our efforts. Also their eyes shined when I mentioned about the Xmas decorations from recyclables; and they are very interested. So it is time to start working on them. Xmas is just around the corner. Please bring your ideas to our next meeting. We have to hurry up before somebody else takes over our idea.

We have several open positions on the EAC's administration activities. Please get involved. It is satisfactory and will help us to grow faster. We increase the accomplishments and possibilities when we work together.

Tools Needed for all the Demonstrations:

1. Board or canvas or surface to work on
2. Bright Water colors, acrylics or color markers
3. Brushes
4. Two (2) containers for water
5. Paper towels
6. Pencil
7. Ruler
8. Exacto or craft knife
9. Scissors
10. All-purpose glue, scotch tape
11. Invisible thread or fine fishing line, plus a needle.
