President's Corner

Dear EAC Members:

The Eco Art Creators Fashion show needs our attention. I would like somebody to take charge of this activity. This is what We need: **more participants for the show**, create more clothing from recyclables, find a place to do the fashion show, date and time to do the show and promote it. We can invite the people who were going to participate in Boulder. Please bring what you have done so far in this matter to show everyone else what can be done. It will be a lot of fun to work on this project, as it has been so far.

The Irving library provided only 5 display panels for us. I am glad because we were rather short on the number of items to display. Also, someone suggested a way to display jewelry in a 2D wall or a panel. So now we are not limited to display in cabinets if they are not available. Thank you for the suggestion..

I hope you all got the E-Mail with the list of items to bring to our July 29th meeting in the Brunner house. Please, don't forget to bring the items.

For your information; the classes at Brunner House Summer Events is in the name of Broomfield Art Guild. We need a strong presence, as this will help us to gain new members. Thank you to everyone who is contributing to the operation of the EAC but I need more help **to grow as we want, can and should.**

We still have many open positions for the EAC's administrating activities. Please get involved. It is your club, it is very satisfying to help, because we improve the quality of our lives, and grow faster as we increase our accomplishments and possibilities when we work together.
