year or the beginning of this year. Never the less we have a show at the library's display case and the City Hall.

We have pending possibilities at the Broomfield Days and Broomfield Senior Center,

I made a demonstration at the Louisville Library. It went real well, I sent information to the people who were interested.

Please get ready to learn how to create art using embossing techniques on disposable styrofoam meat trays. Every new medium we have available has infinite possibilities to create art with. We will be showing this art at the library's display case.

In our next meeting will be talking about how to use the money we have left from the from the Wells Fargo's grant. We could make a jury show in June at the Irving Library, or the City Hall, make more fliers, business cards, advertise, teach classes, etc. Please bring your ideas.

I am looking forward to see you,  
Aura

## President's Corner

Dear EAC members:

**Since we are devoted lovers and protectors of our Mother Earth, let's keep finding new ways to lessen our trash by converting it into beautiful art or crafts. We know, It is fun!**

I am sorry to tell you that my father in law passed away and even if it is sad not to see any more, it was fine for everybody including him. Now I am trying to catch up with my regular activities which were interrupted for six months. Now we have to catch up and solve the main problem we have, which is the slow growth of our membership.

My six months delay also affected our shows and grants and as a consequence our membership because the show application deadlines were last
