President's Corner

Dear EAC Members: Keep in mind that, Disposable + Mind + Desire Can be transformed into: Art, beauty, personal growth, better use of our natural resources, Maintenance of the beauty of our dear mother earth, plus many more benefits!

Misty and Aura were the only fashion creators and models at our first Fashion show. Esther was the leader and organizer of the show, **Cynthia Anaya**, a relative of Esther was the narrator, and **Olga Passarelli** a friend of Esther was our trainer. We didn't have a photographer or a marketing person. We missed very important elements for a more successful show. In spite of that, we did real well. It is a great medium that has a good marketing interest. But I need more participation!

We missed several opportunities to show our art due to my vacation. I am sorry for that, but also we are going to be at the Broomfield City Hall, and Broomfield Library and I am working to display at the Eco Fair in Brighton, Brighton City Hall, College Hill Library, Broomfield Days, the OZ Gallery in Westminster, and the Denver Arts Festival. Also we are going to advertize at the First Bank Center.

Thank you Misty for taking the notes at the meeting, you did a great job, but I need participation from the other members in order to grow as we want, can and should. We still have many open positions for the administrating activities. Please get involved. It is your club too.

Please bring your latest creation. There will be a price for the best one. Aura
