16, 30 from 10 to 11 AM.

## President's Corner

Dear EAC ECO ART lovers:

I hope you maintain the level of wellbeing that is satisfactory to you and you are making a lot of progress in the fields of your artistic interest while maintaining a great relationship with mother earth, using **ECO ART**.

Keep in mind that: **Disposables + Mind + Desire, Feeling, and Action can be transformed into: Art, Beauty, Creativity, Personal Growth, Better use of our natural resources, Maintenance of the beauty of our dear Mother Earth, learn how to use new mediums, it is a lot of fun and satisfaction, plus it has therapeutic value that help us to keep advancing in life satisfactorily!**

Until now I have been focusing EAC's activities on having more shows and classes. But the possibilities are great, and I am expanding into the Broomfield Community Foundation, First-bank Center, beautifying art projects in Broomfield, and the Art Academy in Brighton.

EAC will maintain its regular monthly meetings at the Brunner House, continuously expanding into the uses of new disposables. So far we have used only 42 different disposables, and have not scratched the surface.

We also need some help writing grants to help us to do all the things we want to do and give prizes to the best creators and to reach more interested people in the art community.

Best wishes,

Aura.

**Tools needed for all the Demonstrations:**

1. Board or canvas or surface to work on
2. Bright Water colors, acrylics or color markers
3. Brushes, and paint rollers
4. Two (2) containers for water
5. Paper towels
6. Pencil
7. Ruler
8. Exactor or craft knife
9. Scissors
10. All-purpose glue, scotch tape
11. Invisible thread or fine fishing line, plus a needle.

**Broomfield Council on the Arts and Humanities (BCAH)**

<http://www.artsinbroomfield.org/>

The information for the **February 2018 issue** of BCAH's quarterly newsletter "Spotlight on the Arts" is on the air. Visit their web page and under Members you will find Eco Art Creators.

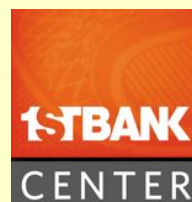

Please send me any information that you want in order to publish it in their future newsletters.

**Creation at our Demonstration in our previous meeting:**

Aura Liesveld showed us how to create a translucent piece of art using Fabric softener sheets, painted with water colors.
