## President's Corner

Dear EAC members:

Since we are lovers and protectors of our Mother Earth, let's find new ways to lessen our trash by **converting it into beautiful art or useful crafts**, while having fun doing it.

We are welcoming back Robyn Boyd. She is interested in working with metals and stones. If someone has them, please share them with her.

As you know, we decided to share our recyclables and we are already expanding our ideas about new recyclables and the art we can create with them. Please see **Exchanging Recyclables** section below.

The show at Rodeo Marketing is about to be finished. I can see some potential. I did not join them because I am stretched out too much. I need some help! Isolde joined and attended her first meeting. This month they don't have any restrictions for themes or mediums. Let us know if you are interested in. The art show at the Armory is about to end on **May 31st at 2 PM.**

The display case in the Broomfield Library will end on **May 31st at 3 PM.** People are taking the book marks we did with Lavonna. They like them. Thank you Lavonna. Perhaps we can do more for the Irving library show.

When we pick up the art from the Armory at 2PM, go directly from there to the Broomfield Library to pick up the art at 3 PM.

**We need to get ready Irving Library show.** It will be easy. The art that will be picked up from Brighton on Friday can be delivered to the Irving Library, along with any new items you have the next day, Saturday June first at 10 AM. Please bring to the meeting the information ready for the display.

In June we will not have a meeting, but we have to pick up the art from the Irving library on June 29th at 9 AM. and you have to get ready for the Brunner House display in July. It looks like a busy schedule, but the possibilities for creation are so large, that in fact it will be easy and fun. Aura
