## President's Corner

Dear EAC Members:

**We welcomed Carmen Latimer as a Visitor to our meeting.**

**Since we are always devoted lovers and protectors of our Mother Earth, let's keep finding new ways to lessen our trash in order to convert it into beautiful art or crafts, Especially when it is fun to do!**

Earth Day did not go very well, as we did have a confusion on the date we were supposed to teach the class, but they allowed us to teach twice which it helped a bit. The Irving Library want us to have art from more than 3 artists. I don't blame them. Please tell me what is stopping you to create the art? We are trying to make it convenient by creating the art in the meeting but still not enough people want to display the art. How can I help to solve this issue?

I found that the grant offered by New USA Fondation.com is a scam.

We lost an opportunity for shows at the Majestic View, Westminster City Hall and Downtown Denver Arts festival.

Also we lost the opportunity to apply for a grants at the Broomfield Community Foundation and Colorado Creative Industries as I did not have the time to apply for them due to the difficulty with my late Father in Law. I hope you have a nice break and create a lot of new art.

Aura
