President's Corner

Dear EAC Members:

The Boulder Fashion show was canceled and money was returned. we will talk about what to do with it. By now, we made significant progress while we were getting ready for this show, so lets do it here in Broomfield with everyone's participation. People who were going to participate in Boulder, bring what you have done so far in this matter to show everyone else what can be done. Please.

Now, we have to find more participants, location, date, and promotion for the show. It will be a lot of fun to work on this project, as it has been so far.

We have 15 panels available to display our art at the Irving Library. We need a lot of paintings. We have to be careful in the planning. Please bring your ideas to the meeting along with the: titles, medium, size, price, and pictures of your work to our meeting. Perhaps in our next show at the Irving Library we can have space in their cabinets to display 3D art and crafts.

I hope you sent your information to Laurie Maier, the Coordinator for Art programs in Brighton City Hall. Remember It doesn't cost anything. Also they promote the art daily with the continuous flow of people who do business with the city and they do a lot of sales.

Thank you to everyone who is contributing to the operation of the EAC. but I am a glutton!. I need more help to grow as we want, can and should.

We still have many open positions for the EAC's administrating activities. Please get involved. It is your club, it is very satisfying to help, because we improve the quality of our lives, and grow faster as we increase our accomplishments and possibilities when we work together. Aura

As I mentioned in my E-Mail, Now we can have our regular meetings in their facility. We are very thankful for that great benefit.

Now we are in their mailing list for all their activities. I think we should take turns and participate. It is to our benefit as well.
