

EcoArt Newsletter

October, 2011

Vol. 1 Number 1

NEXT MEETING: Wednesday, October 26th, 1:00, North Metro Fire Headquarters, 101 Lamar St. For information: Aura Liesveld 303-456-3675

NEWSLETTER

This is a compilation of our first Newsletter, so it's still "Number One" in the series.

A listing of local thrift stores was compiled including addresses and phone numbers. Unless noted the phone numbers are **303 xxx-xxx**. Eventually, hours of operation will be added.

Heather submitted three Salvage companies also – Thanks!

And let's not forget Garage/Yard sales. Sometimes you really hit the jackpot at those.

BOOKS AND MISC.

There was some interest in Steampunk Creations so here is a short list of references:

1000 Steampunk Creations: Neo-Victorian Fashion, Gear & Art, by Dr. Grymm, (2011) Quarry Books Pub.

Steampunk Emporium: Creating Fantastical Jewelry, Devices and Oddments from Assorted Cogs, Gears and Curios, by Jema "Emilly Ladybird" Hewitt, North Light Books.

Secrets of Rusty Things: Transforming Found Objects into Art, Michael deMeng, North Light Books.

THANKS

A big THANKS to Isolde Gilliland for demonstrating her assemblage techniques!

MATERIALS LIST FOR OCT. 26th

Bill Zeidlik will be demonstrating and would like for everyone to bring:

1. 1-2 pieces of plywood about 8"x10" ¼ to ¾ thick. He suggests getting scrap or cull from Home Depot if you don't have any.
2. Sand or scrape the rough edges at home – medium grit works best.
3. Six small tubes of your favorite colors – even if dried up.
4. A small dish or plastic tray for each color or a large peanut butter lid.
5. Wide-mouth jar for water mixed with liquid cooking oil (about 2 tbs. of oil).
6. Single sided razor blade or Exacto craft knife or blade – must be shielded – heavy tape will do.
7. A 3'x3' piece of 5-10 mill black or heavier plastic or vinyl sheeting.
8. A roll of blue tape ¾" to 1" wide – get a large roll.
9. 16"x20" (minimum) foam board.
10. A reasonably good grade 2" standard paint brush and 2 or 3 larger, 1"-2" "Fan" brushes, plus several 1" foam (sponge) brushes.
11. 16 grit sandpaper.
12. **IF** you have any western or frontier-type metal pieces, nails, hinges, locks, etc., you can bring them. Bill will provide (for sale) what he can.

Please submit any additions, corrections or other items to be included in the next Newsletter to Ann at: ahopkins@fullerton.edu Thanks
