## Activities

### Reception for the Brighton Show at the Armory:

October 10th 6-9 PM Please bring a dish to share.

**Brighton, CO** Wants us to create a Xmas decoration with recyclables. TBD

I am showing my digital art in the City Hall of Brighton and I was part of an interview where I appear 4 times in YOUTUBE. In the last section I made a short introduction of EAC and the great possibilities we have with this type of art.

## President's Corner

Dear EAC Members:

**Since we are always devoted lovers and protectors of our Mother Earth, let's keep finding new ways to lessen our trash in order to convert it into beautiful art & crafts, Especially when it is so fun to do!**

I am sorry but I have a problem with my back and I was not able to do everything I had planned to do for this month. Mainly, I had to cancel our participation the Broomfield Days, and as a consequence we lost the opportunity to get more members for our club; also I have not updated our web page, etc.

I Hope that I will be OK for the reception for the Armory show on October10th. Unfortunately it was not a Juried show since we have only three participants.

Please bring your ideas for Xmas tree decorations to our next meeting Sept 24th. Isolde will show us how to transform a useless item into a beautiful and valuable one that we will be proud to show on our Xmas trees this year.

In addition to your ideas bring anything that has color that you can cut and paint without doing any damage to the room we are working in. Keep in mind that we have to keep our commitment to maintain the room in perfect condition in order for them to let us use it.

We still have several open positions for the EAC's administration activities. Please get involved. It is your club, it is very satisfying to help, helps to improve the quality of our lives and will help us to grow faster. We increase the accomplishments and possibilities when we work together. Aura
